-----  
To help departing personnel (grad students, post docs, Principle Investigators, etc.) and their Departments ensure that associated laboratory space and operations are properly decommissioned prior to their departure, please review the University's Laboratory Decommissioning Guidance at the following webpage.  
[http://bfasweb.syr.edu/env\\_hlth/ih/chp/Decommissioning/Decommissioning%20Guide.htm](http://bfasweb.syr.edu/env_hlth/ih/chp/Decommissioning/Decommissioning%20Guide.htm)

If there are questions, please contact me at 3-9131 or [gjmoll@syr.edu](mailto:gjmoll@syr.edu). Thank you. Garrett J. Moll  
Manager - Occupational Health  
Industrial Hygienist/Chemical Hyg. Officer
